III. Eligibility for SCIP Fellows Nomination:

Any SCIP member who has completed five (5) years of valued and recognized service to the Society. Candidates may come from any field, including academia, business, and government. Whatever their careers, candidates must have made an outstanding contribution to the competitive intelligence profession. That contribution must be documented and supported by several individuals (including at least one current Fellow) who can personally attest to the importance of the candidate's contribution. Professional actions and/or achievements that would qualify a candidate for Fellow nomination would include, but not limited to the following:

- Advanced, nurtured, and promoted the CI profession;
- Contributed to CI knowledge through original research and publication;
- Applied new CI knowledge in practical and valuable ways;
- Viewed as valuable source of CI expertise and experience – advice and counsel sought by others in the field;
- Practiced and advanced high ethical standards;
- Improved the public understanding of the CI profession; and
- Served SCIP at an exceptional level over an extended period of time.

Contribution to CI Profession - For example: advanced, nurtured, and promoted the CI profession; contributed to CI knowledge through original research and publication; applied new CI knowledge in practical and valuable ways.

Expert in the Field of CI - For example: viewed as valuable source of CI expertise and experience; advice and counsel sought by others in the field; practiced and advanced high ethical standards.

Promotion of CI Profession - For example: improved the public understanding of the CI profession.

Service to SCIP – For example: served SCIP at an exceptional level over an extended period of time.

Others contributions, activities, or notable accomplishments:

What are the most significant contributions?

Explain why the contributions are significant and why they qualify for a SCIP Fellows nomination.
